

Erasmus+

Dear students,

This survey is carried out to implement Erasmus+ project „Good teaching evokes motivate learning“ (No. 2015-1-LT01-KA201-013481).

*The aim of the survey is to find out what students think of the learning motivation. A questionnaire is anonymous, so there is no need to point out any names and surnames. The survey organizers guarantee that the answers will not be revealed to students' parents, teachers and friends. **Choose just one answer, which is suitable to you.***

1. Sex:

M F

2. What form are you in?

6 form 9 form

3. Do you want to learn?

Yes Partly No
